# ROARING 20'S

## With your help we can make a difference!

The Windgap Gala Ball brings together people who share a common goal – to help provide opportunities for adults with disabilities so each individual can live and work in our community, and achieve their aspirations and goals.

This year, all funds raised from our 2022 Gala Ball will provide a range of programs, services and equipment for our 200+ participants at Windgap from 18 to 85 years old.

Together, we can make a difference to ensure people with intellectual disabilities have every opportunity for success and can live their life to the fullest.

Thank you for your support.
