

RESIDENTIAL GROUP HOMES

Live the Community Life

What are Residential Group Homes?

At Windgap we are passionate about providing the perfect place for you to call home and to live as independently as possible within your community.

Each home matches residents with similar ages, interests, hobbies and support needs, to provide a place where everyone feels comfortable and at home.

Windgap has several residential homes located across Eastern Sydney and located near shops, cafes, and public transport – as well as Windgap’s Programs and Supported Employment.

Residents are supported by our dedicated and caring team, available around the clock to provide assistance and a safe and harmonious living environment.

All homes are owned by Windgap to provide families and residents security for long-term living.
